LIGHTWEIGHT HAS NEVER BEEN SO POWERFUL

PORTÉGÉ® X30L-J

The new, hyper-light, 13-inch Portégé X30L-J from Dynabook proves less truly is more – more performance, features and security. With a compact magnesium chassis starting at 906 grams[1], this thin and light laptop provides effortless mobility with unparalleled durability. Its 11th-Gen Intel® Core™ processor delivers speed, efficiency and discrete-level graphics. Powered with all-day battery life, the Portege X30L-J is perfect for mobile professionals.

PORTÉGÉ® X30L-J

Processor
Offering a selection of powerful quad-core 11th Gen Intel® Core™ processors and Intel® Iris® X^e graphics for enhanced visual performance, the Portégé® X30L-J delivers the productivity boosting speed, security and enhanced connectivity features demanded by today's business professionals.

Windows 10 Pro
The Portégé® X30L-J features Windows 10 Pro, providing improved data protection and encryption, productivity tools, unparalleled software support, and voice control, making it the ideal operating system for the modern workplace.

Displays
Featuring an energy-efficient, thin-bezel 13.3-inch Sharp IGZO display[4], the Portégé® X30L-J delivers vibrant visuals and impressive battery life. Dynabook also offers a new Dynamic Privacy Display option that limits viewing by others, and an optional multi-touch display.
Storage
Lightning fast response times with the latest SSD storage and the ability to maximize memory upgrades ensures the Portégé X30L-J can handle any task with ease.

Docking
The Portégé® X30L-J offers a multitude of ports for displays, data sharing and power, while supporting up to three external 4K displays.

Keyboard
Equipped with a full-sized, backlit keyboard which offers comfort and convenience even in dim lighting conditions.

Limitless Performance for Unparalleled Productivity
With 11th Gen Intel® Core™ processor options, the Portege X30L-J delivers a performance boost and enhanced efficiency afforded by Intel's all-new 10nm processor architecture. Configurable to up to 32GB of dual-channel memory and reinforced with ultra-fast SSD storage (up to 1TB), Wi-Fi 6[2] and Thunderbolt™ 4, the Portege X30L-J offers enduring performance for making short work of even the most complex tasks.

Next-Level Connectivity
Beyond its ultrafast USB 4.0 Type-C® ports with Thunderbolt™ 4 functionality, the Portégé X30L-J features a mix of full-size ports, including ethernet, HDMI and USB-A (with Sleep & Charge) for seamless, adapter-free wired connectivity. Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

Unbelievably Lightweight
From the office, the field or home, the hyper-light Portege X30L-J was engineered to deliver unrelenting performance from literally anywhere. With a thin and light, mystic blue, magnesium alloy chassis, it's not only stylish but the starting weight is only 906 grams[1].

Seriously Secure
As a Secured-core PC featuring a mix of hardware, firmware, software and identity protection technologies, the Portege X30L-J is among the most secure Windows PCs in the world. Dynabook is the only major laptop brand that writes its own BIOS, providing an incredibly secure foundation. Further bolstering security, it is also equipped with face and fingerprint biometric recognition.

Keeping You and Your Work Hidden
The Portege X30L-J keeps you and your data protected from unwanted viewers. Equipped with a webcam cover, privacy is just a flick of the finger away, while the optional Dynamic Privacy Display limits screen viewability to just you, when activated.

Lighter Than Light, Stronger Than Strong.
The Portégé X30L-J was engineered to pass MIL-STD-810G standard testing methodology for strength and durability. Its high-strength magnesium alloy chassis is tough, durable and offers optimal protection against accidental damage.

Power For The Workday and Beyond
The Portégé X30L-J features a powerful lithium polymer battery that provides more than enough juice to power you through the day. When not in use, Sleep & Charge technology keeps USB ports powered, allowing the laptop to charge smartphones and other accessories.

+care®
+Care Service® Warranty

+Care Service® Warranty with On-Site
To boost productivity, cut downtime and reduce IT costs, the Portégé X30L-J comes with +Care Service® Warranty[5] with On-Site. Dynabook's new, premier standard warranty gives customers access to the organization's extensive service and support network for Technical Phone Support, Depot Repair, Carry-In, On-Site and Customer Replaceable Parts.

+care®
+Care Service® Warranty

+Care Service® is Dynabook Americas' new, premier standard warranty. This new standard warranty provides customers access to all available Dynabook Americas service options including Technical Phone Support, Depot Repair Service, Carry-In Service, On-Site Service, and Customer Replaceable Parts. Dynabook's standard limited warranty terms and limitations apply. Visit https://support.dynabook.com/warranty for details.

1. Weight. Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected.
2. Wi-Fi 6. Wi-Fi 6 (802.11ax) WFA certification is not yet available. Intel® Wi-Fi 6 AX200 Module will be delivered as a pre-certified solution.
3. Battery Life Rating. (Notebook) Measured by MobileMark® 2014 for models preinstalled with Microsoft® Windows 7 or Windows 10. Benchmark rules for MobileMark® 2014: Wireless connectivity = On, Pre-defined updated workloads. Details of MobileMark® 2014 testing protocols are available at www.bapco.com. MobileMark is a U.S. registered trademark of the Business Applications Performance Corporation. Rating is for comparison purposes only and does not indicate the battery life that will be obtained by any individual user. Actual battery life may vary considerably from specifications depending on product model, configuration, applications, power management settings and features utilized, as well as the

natural performance variations produced by the design of individual components. The battery life rating is only achieved on the select models and configurations tested by Toshiba under the specific test settings at the time of publication and is not an estimate of a system's battery life under any conditions other than the specific test settings.
After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries.
4. Display. The IGZO display is only available on the Full HD configuration.
5. Warranty. Dynabook's standard limited warranty terms and limitations apply. Visit www.support.dynabook.com/warranty for details.
