

LG CloudDevice Your Productivity Secured

LG Cloud Devices provide tailored solutions for diverse cloud-based business needs, ensuring secure and efficient operations. With a range of products from All-in-One to Mobile thin clients, LG supports business scalability and advancement across the Corporate and Healthcare sectors. These cost-effective and eco-friendly alternatives exceed the capabilities of traditional PC devices.

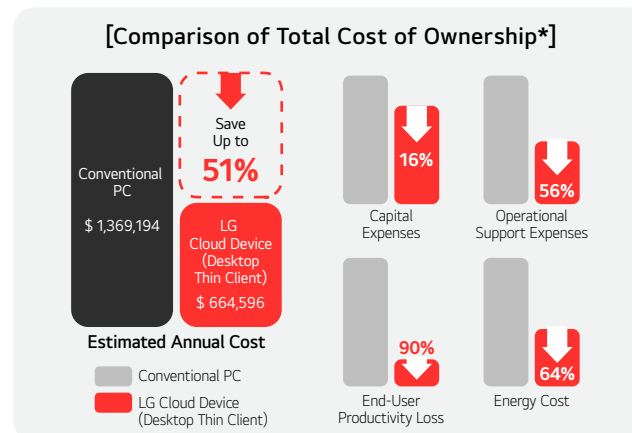

Meeting Every IT Demand

- Device Versatility with All-in-One, Mobile, Desktop Solutions
- Ironclad Security
- Workspace Efficiency
- Mobility and Durability
- Remote Management

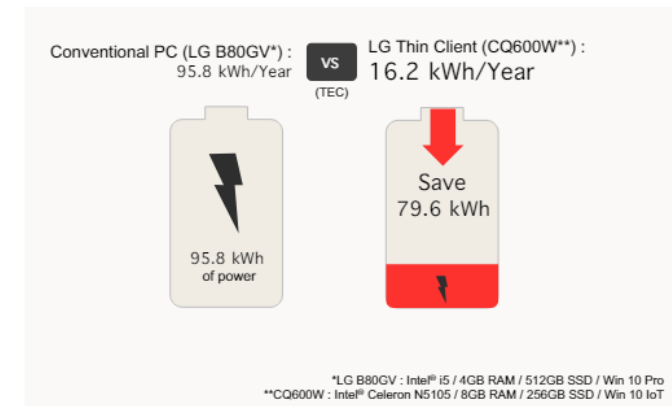

Reduce TCO

An LG cloud device solution is designed for High-Performance workplaces and can significantly reduce TCO costs by up to 51%.

Focused on Sustainability

Cloud Devices benefit the environment in multiple ways. Less hardware is required than a conventional PC, and a Cloud Device provides exceptional power efficiency compared to traditional PCs as it only consists of necessary elements.

*LG Cloud Device Manager installation requires certain system requirements (Processor, RAM, HDD, Ethernet, OS, Browser, etc.), and after the free trial period expires, a purchase may be necessary.

*The following simulation results were based on LG Electronics internal testing methods in a controlled environment. Actual test results may differ.

*LG B80GV : Intel® i5 / 4GB RAM / 512GB SSD / Win 10 Pro
 **CQ600W : Intel® Celeron N5105 / 8GB RAM / 256GB SSD / Win 10 IoT

Specifications

LG CloudDevice Thin Client

Category		UltraWide™ All-in-One	All-in-One		All-in-One for Healthcare	Desktop
Model		34CR650W/N/I & 34CR651W/N/I	27CQ650W/N/I & 27CQ651W/N/I	24CQ650W/N/I & 24CQ651W/N/I	24CR670W/N/I & 24CR671W/N/I	CQ600W/N/I & CQ601W/N/I
Display		34-inch UltraWide™ QHD (3440 x 1440), VA	27-inch Full HD (1920 x 1080), IPS	23.8-inch Full HD (1920 x 1080), IPS		-
System	Processor	Intel® Celeron N5105 / Intel® Pentium N6005				
	OS	Windows 10 IoT Enterprise LTSC / IGEL OS pre-install / Non OS				
	Memory	8 / 4GB DDR4				16 / 8 / 4GB DDR4
	Storage	256GB NVMe SSD / 16GB eMMC				
Connectivity	Mic-in & Headphone Out Combo		Yes			
Network	Wireless (Optional)	Intel® Wi-Fi 6 AX201 (Wi-Fi 6, 2x2, BT Combo)				
	Bluetooth (Optional)	BT 5.1				
Speaker	Built-in Stereo	Yes (7W x 2)	Yes (3W x 2)			Yes (1W mono)
Feature	Full HD Webcam	(Push-pull Type)				
	RFID	-	-		Yes	-
Security	TPM (Trust Platform Module)	Hardware TPM 2.0				
Stand	Adjustable Stand	Tilt : -5-20°, Height Range : 110mm	Tilt : -5-35°, Swivel : 0-355° (±5°), Height Range : 130mm, Pivot : ±90° (Bi-directional)			-
Standard	Medical Standard	-	-		(IEC60601, CE MDR, FDA Class I)	-
Warranty		3 Year Limited				

LG CloudDevice Mobile Thin Client

Model	17ZT90R	15ZT90R	14ZT90R
Display	17-inch WQXGA (2560x1600) IPS LCD (Non-Touch, Anti-glare)	15.6-inch Full HD (1920x1080) IPS LCD (Non-Touch, Anti-glare)	14-inch WUXGA (1920x1200) IPS LCD (Non-Touch, Anti-glare)
Aspect Ratio	16:10	16:9	16:10
Weight	1,350 g (2.98 lbs)	1,140 g (2.51 lbs)	999 g (2.2 lbs)
Battery	80 Wh	80 Wh	72 Wh
CPU	13th Intel® RPL-U Core i3		
OS	Non OS		
Memory	8GB LPDDR5		
Storage	NVMe 256GB		
Connectivity	Wireless		
	Bluetooth		
Webcam	Intel® Wi-Fi 6 AX211 (Wi-Fi 6E, 2x2, BT Combo)		
Speaker	BT 5.1		FHD IR Camera with Dual MIC
Security	2 x Max 5W with Smart Amp		2 x 1.5W Speakers
Warranty	TPM and Fingerprint		
	3 Year Limited
